45.	09/02/2025		DOCKET TEXT ORDER (no separate order issued:) Granted The court has considered the Motion To Approve Compromise, etc (Dkt 1285), the Objection and Joinder (Dkts 1302 & 1303) and the Replies by Debtor and the OCC (Dkts 1311 & 1315). It

			is worthy of note that not a single abuse claimant whose action will remain stayed has objected. The motion is well-taken, easily satisfies the A & C test by considering and weighing the factors, as the court does independently here, and represents a needed, good faith settlement of a bona-fide dispute. The objectors, assuming they even have standing, have shown no meaningful prejudice. The OCC did not unilaterally select the test cases. What other courts have done in similar cases is interesting but not controlling. The demand letters, if they even would be prohibited by the automatic stay, which is far from clear, are to some extent pass-throughs from the debtor as a conduit to the insurers, who cannot be surprised or harmed by them. All other objections are OVERRULED and the matter is DROPPED from the September 4 calendar. The 14-day stay is waived. Debtor should serve and upload an appropriate order GRANTING the motion for the reasons stated in it and in this docket text order.
